Tomorrow: Come “Walk for Women, Walk for Life” at 13th annual pro-life event in San Francisco

San Francisco, January 20, 2017 – Tomorrow is the day of the **13th Annual Walk for Life West Coast**, and everyone is invited attend and to continue proclaim a powerful message that has been present since its beginning over a decade ago: there is hope and healing from abortion, women deserve better than abortion, and as a society we have to do better.

The **Walk for Life West Coast** began 13 years ago as a grassroots effort from locals who live in the Bay Area. Co-founders and Bay Area residents **Eva Muntean** and **Dolores Meehan** started the Walk for Life West Coast to show people that there are other options for woman than abortion. These women, and the over 50,000 people expected to join them at the Walk for Life, believe these options are actually more “pro-woman” than abortion, protecting a woman’s natural instinct to love her child and giving her choices to empower her to do so.

Each year, an important part of the Walk for Life is the “Info Faire” that takes place before the Walk. The Info Faire features both local and national resources for women who are facing unplanned pregnancies: counseling, medical care, financial assistance, housing, adoption information, and resources to help them parent their child. Another very important aspect of the Info Faire are hope and healing programs for women who regret their abortions and are often forgotten.

Organizers invite the media, and anyone who is facing an unplanned pregnancy who needs support, to join them tomorrow, Saturday, January 21 at the Info Faire from 11:00 AM to 12:30 PM at the Civic Center Plaza in San Francisco.

The 2017 Walk for Life West Coast will begin at 12:30 PM with a rally in the city’s Civic Center Plaza. Along with [Pam Tebow](#), speakers include Reggie Littlejohn, founder and President of [Women’s Rights Without Frontiers](#), abortion survivor [Melissa Ohden](#), and Rev. Childress, founder of [Black Genocide.org](#)

Following the rally, participants will walk down Market Street to Justin Herman Plaza.

Founded in 2005 by a group of San Francisco Bay Area residents, the Walk for Life West Coast’s mission is to change the perceptions of a society that thinks abortion is an answer. For more details, and to view a powerful promo video for the walk that can be shared on social media, please visit:
