“Radio Santisimo Sacramento” will broadcast Walk for Life West Coast live in Spanish on EWTN radio

San Francisco, January 23, 2018 – Radio Santisimo Sacramento, the Catholic Radio Station of the Diocese of Sacramento, has been on air for more than 6 years and has always supported the pro-life movement. But this year, they have reached a new milestone in the fight for life: broadcasting the entire Walk for Life West Coast on the global radio network EWTN.

The events of the Walk for Life will be translated by Radio Santisimo hosts **Fr. Rodolfo Llamas, Fernando Rios** and **Amelina Mendoza**. The talks of all the speakers at the rally at the Civic Center Plaza will be translated into Spanish. Participants can listen on the app on their smartphones, on radio stations 1240AM and 1340AM, and also online at <https://radiosantisimosacramento.com/escuchanos-en-vivo>. Radio Santisimo General Manager **Lorena Albarran** will be the “eyes and ears” that keep the audience aware of all the details and situations happening during the walk itself.

Lorena Albarran explains, “We are so excited to be able to transmit the Walk for Life West Coast through EWTN because we have already experienced what God has been doing through Walk for Life these past six years. But we have always known that there are still millions of souls missing to touch with the messages that God wants to send to the world from the west coast. This year, thanks to EWTN, our awareness-raising efforts to the Hispanic community has the ability to extend the testimonies, reflections, slogans from San Francisco to minds and hearts in all parts of the world.”

The main event of the **2018 Walk for Life West Coast will begin at 12:30 PM this Saturday, January 27th**, with a rally in the city’s Civic Center Plaza. The rally features several powerful speakers, including Gianna Molla Award recipient **Joe Scheidler**; pro-life OBGYN **Dr. John Bruchalski**; **Terry Beatley**, founder of the Hosea Initiative; and **Rev. Clenard Childress, Jr.**, the founder of the website www.blackgenocide.org. Following the rally, participants will walk down Market Street to Justin Herman Plaza.

Founded in 2005 by a group of San Francisco Bay Area residents, the Walk for Life West Coast’s mission is to change the perceptions of a society that thinks abortion is an answer. For more details please visit: www.walkforlifewc.com
