Popular speakers to grace stage at 15th annual “Walk for Life” in San Francisco

#

San Francisco, January 2, 2019 –Preparations are well under way for the 15th annual Walk for Life West Coast on Saturday, January 26, 2019. Over 50,000 people of all ages, races, and creeds are expected at the Walk and its associated events.

A hallmark of the Walk for Life is the quality of speakers that participate. This year is no different! Several dynamic speakers are on-tap to encourage and inform the thousands of Walk participants.

Two noteworthy speakers are **Ms. Abby Johnson** and **Ms. Patricia Sandoval**. Both are former Planned Parenthood workers who themselves have had abortions. Walk co-founder, Eva Muntean says, “Both women walked away from Planned Parenthood in disgust. Both then embraced the pro-life cause, and their experiences give their testimony a haunting and unforgettable power. And, because, as much as anything, the Walk for Life is about the nourishing of hope, these women are an incredible blessing to us. They are what the Walk is all about.”

Joining Ms. Johnson and Ms. Sandoval at this year’s Walk are the **Rev. Walter B. Hoye II**, Founder and President of Issues4Life Foundation and subject of the new book, ***BLACK AND PRO-LIFE IN AMERICA***; and **Father Shenan Boquet**, President of Human Life International. Please contact me to schedule interviews.

The 2019 Walk for Life West Coast will begin with a rally at 12:30 PM in the city’s Civic Center Plaza. Following the rally, participants will walk peaceably down Market Street to Justin Herman Plaza.

Founded in 2005 by a group of San Francisco Bay Area residents, the Walk for Life West Coast’s mission is to change the perceptions of a society that thinks abortion is an answer.
