Pro-Lifers Prepare for 18th annual “Walk for Life West Coast” January 22 in San Francisco

San Francisco, November 29 –Pro-Life heroine Lila Rose, founder of [Live Action](http://LiveAction.org), will be one of the featured speakers at the 18th Annual Walk for Life West Coast on January 22, 2022 in San Francisco. Ms. Rose, whose groundbreaking videos did so much to expose Planned Parenthood will be joined by one of America’s great orators, the Reverend Clenard Childress of BlackGenocide.org and Pro-Life Activist Christi Hockel Davenport.

Ms. Rose says *“I am thrilled to speak at the 18th Annual Walk for Life West Coast. What an honor to be in my native Bay Area, alongside my family, friends, and neighbors, as we continue our fight for the most vulnerable - the pre-born babies in the womb. Join me on January 22, 2022. I truly believe that we can win this fight, and save all lives from the violence of abortion.”*

Last year’s Walk drew thousands of people, despite the pandemic and political unrest. At the time, Walk co-chair Dolores Meehan said “We discerned that continuing to stand as a peaceful, public witness to the harm that abortion has inflicted on our society, is as important today as it has ever been.” The Walk turned out to be the largest pro-life event in the country. Reflecting on the turnout, co-chair Eva Muntean said “I guess by now I should know better than to sell the commitment of pro-lifers short!”

The 2022 Walk for Life West Coast will rally at 12:30 PM in the city’s Civic Center Plaza. Following the rally, participants will walk peaceably down Market Street to Justin Herman Plaza.

Founded in 2005 by a group of San Francisco Bay Area residents, the Walk for Life West Coast’s mission is to change the perceptions of a society that thinks abortion is an answer.
