Surprise Pro-Life Hero to be honored at “Walk for Life West Coast” January 22 in San Francisco

San Francisco, January 17 – San Francisco’s Walk for Life West Coast, taking place this Saturday, January 22, 2022 is historically the second-largest pro-life event in the United States, behind only the March for Life in Washington.

This year’s speakers will be *Silent No More* Awareness Campaign coordinator Irene C. Zamorano-Archacki, Lila Rose, founder of Live Action, the Reverend Clenard Childress of BlackGenocide.org and Pro-Life Activist Christi Hockel Davenport as featured speakers at the 18th Annual Walk for Life West Coast on January 22, 2022 in San Francisco

One of the regular features of the Walk is the annual presentation of the St. Gianna Molla award for Pro-Life Heroism. The award is named after the 20th century Italian wife, mother, and pediatrician Dr. Gianna Molla who chose to give birth rather than undergo a medical treatment that would result in the death of her unborn daughter. It is given to a person or group who have displayed unusual courage and fidelity to the pro-life cause. Past honorees include David Bereit, founder of 40 Days for Life, now in 1000 cities and 63 countries around the world; Joe Schieldler, ‘the Godfather of the Pro-Life Movement’; Walter Hoye, II, unjustly imprisoned for exercising his First Amendment rights; and Fr. John Malloy, first Chaplain of the Walk. This year’s surprise honoree, a nationally known figure, will not be announced until the presentation of the award. Be there or tune in to EWTN to see who it is!

The 2022 Walk for Life West Coast will begin with a rally at 12:30 PM in the city’s Civic Center Plaza. Following the rally, participants will walk peaceably down Market Street to Justin Herman Plaza.

Founded in 2005 by a group of San Francisco Bay Area residents, the Walk for Life West Coast’s mission is to change the perceptions of a society that thinks abortion is an answer.
